

Interstate Medical Licensure Compact and how Medicus Healthcare Solutions can help

What is it?

The Interstate Medical Licensing Compact (IMLC) offers an expedited path to obtaining licensure in multiple states. The IMLC was created to ease the burden of obtaining licenses in multiple states in order to meet patient demand triggered by a shortage of state licensed physicians. Qualified candidates can now become fully licensed, with a single application, in participating states without going through a traditional application process.

If you have a State of Principal License (SPL) in

 Alabama	 Illinois	 Michigan	 New Hampshire	 Washington
 Arizona	 Iowa	 Mississippi	 North Dakota	 West Virginia
 Colorado	 Kansas	 Montana	 South Dakota	 Wisconsin
 Guam	 Maine	 Nebraska	 Tennessee	 Wyoming
 Idaho	 Maryland	 Nevada	 Utah	

And

Your primary residence is in the SPL	or	At least 25% of your practice of medicine occurs in the SPL	or	Your employer is located in the SPL	or	You use the SPL for U.S. federal income tax purposes
--------------------------------------	----	---	----	-------------------------------------	----	--

Then you can apply for additional licenses in

 Alabama	 Iowa	 Mississippi	 South Dakota	 Wisconsin
 Arizona	 Kansas	 Montana	 Tennessee	 Wyoming
 Colorado	 Maine	 Nebraska	 Utah	
 Guam	 Maryland	 Nevada	 Vermont	
 Idaho	 Michigan	 New Hampshire	 Washington	
 Illinois	 Minnesota	 North Dakota	 West Virginia
